91081-40: F Series Well Lights 24V.

Specification Images:

Collections: Imperial (Primary)
F Series

Our powerful in-ground well lights use a flame-sealed PAR36 35 watt wide flood lamp to cast an ample beam spread along any landscape element. Its dual cut body allows for surface flush or angled installation options. The featured patented stainless steel gimble ring holds the lamp in place while allowing vertical and horizontal adjustments within the ABS body.

ABS Composite Construction

In-Ground Mount

In-Ground Mount

Use of other manufacturers' components and power management system materials will void warranty, listing, and present a possible safety hazard. Please use caution when specifying lamps by selecting the proper voltage, base type, and wattage lamp when designing and installing any lighting system.

UPC #:785652174254

Finish: Chestnut (40)

Dimensions:

Diameter: 5 1/2"

Wire: 300" (color/Brown)

Height: 8"

Bulbs:

1 - screw terminal Par36 35w max 24v - included

Features:

- Weather proof shade(s) included

Material List:

1 Construction - ABS Plastic - Chestnut

Safety Listing:

cETL Listed for Wet Locations
